

# The Chip Holt Nature Center presents **FREE** family programming

## *"The Nature of Things" 2016*

	January 22 Friday 7-8pm	<b>Coyotes!</b> Back by popular demand! Facts and figures about our elusive coyote. Where do they den? What areas have the greatest populations? What to do if you encounter one? <b>Seating only for 50!</b>
	February 19 Friday 7-8pm	<b>Wild Wings</b> will be bringing <b>LIVE</b> birds of prey to the nature center. Learn about <b>hawks</b> and <b>owls</b> , their habits and habitats! See birds up close and personal!
	March 4 Friday 7-8pm	<b>Nuisance Animal Control.</b> Bats in your belfry? Chippies in your walls? Red Squirrels in your attic? Mice making you crazy? Find out how to Pest Proof your home and what to do if you have un-welcome house guest. Our local expert, Phil West will have some answers!
	April 22 Friday 7-8pm	<b>Earth Day Event.</b> The <b>Wildlife Educators Coalition</b> will join us and bring animals that illustrate the diversity of life in our world. Live animals, fun and interesting facts, and conservation efforts to protect them and their habitat will be shared
	May 12 Thursday 7-8pm	<b>CLA:</b> The Conesus Lake Association. Topic to be determined.
	June 18 <b>Saturday</b> 9-12	<b>Youth Fishing Clinic.</b> Join the Nature Center for a free fishing clinic. Learn fishing techniques for Conesus Lake. What fish live there? What do they eat? When are they in season? Try your hand at baiting a hook and casting. You might be surprised by what you catch! <b>No fishing license required! Ted's Tackle will provide the bait! We'll have the fishing poles!</b>
	July-August M-F 9am-12	<b>Nature Camp:</b> a daily program is offered for kids to experience nature and science experimentation. No registration required! Drop in any day! (adult must accompany child)
	September 22 Thursday 7-8pm	<b>Timber Rattlesnakes.</b> Join Herpetologist Tom Hudak to learn about rattlesnakes. How common are they? Where do they live? Are they dangerous? Find out all this and more at the Nature Center. Live rattlesnake to be presented.
	October 21 Friday 7-8pm	<b>Honey Bees and beeswax candles.</b> Joanne Crosman of Avon, a local beekeeper will share her expertise about honey bees. Stay after the talk and for a small fee, make your own beeswax candles!
	November 18 Friday 7-8pm	<b>Wreath Making:</b> A holiday tradition at the Nature Center continues. Join us to make your own holiday wreath with local natural materials. A beautiful wreath to keep or give as a gift! Registration and <b>\$8</b> fee to cover cost of materials is required. Email <a href="mailto:chipholtnaturecenter@yahoo.com">chipholtnaturecenter@yahoo.com</a> to register by Nov. 14th

All programs (except November) are FREE and open to the public! **The Nature Center has a maximum occupancy of 50 people.** The Chip Holt Nature Center is a non-profit community based organization. Donations are accepted. **Sponsorship opportunities are available.**
