

We are on the Move!

Due to the renovation of the existing library building, the Livonia Public Library will be temporarily closing at the 2 Washington Street location on **Friday, March 31**.

We will be opening at our temporary location, Hagerty Hall (41 Spring St) on **Monday, April 3**. This location will be in use until the Livonia Public Library Improvement Project has been completed later this summer.

Although our hours will remain the same (except Tuesdays: 10am-6pm), we will have a smaller collection and limited services. We will continue to offer public WiFi, computers, and Inter Library Loan. The exterior book drop will also be out of service. Please return items to the Hagerty Hall location. Due to this inconvenience, please note that no late fines will be accrued during the duration of the temporary library.

We apologize for any inconvenience this move may cause, but look forward to serving our community in your new library!
