Hayley Anderson – Town Clerk

Jason Molino from the Livingston County Water and Sewer Authority presented the regional water project that is currently under review and explained that there are several Town of Livonia residents that will benefit from this project. There will be no need to create a district, as it will already have access in the area of Poplar, Bronson, and South Lima Road and they will be out of district users. As of yesterday, intermunicipal agreements to 7 towns and villages were sent, but if we include Livonia the median household income may put the project over the hardship funding numbers. IMA is helpful for scoring for grant purposes. There will be more to come on this project, and no action is necessary at this time from the Town Board.

With no further business, on a motion of Councilmember Dougherty seconded by Councilmember English the meeting was adjourned at 6:52PM. Carried unanimously.

Respectfully Submitted,

Hayley Anderson
Town Clerk
