Notice of both Public Hearings were duly published in the Livingston County News on October 8, with same being posted on the same date at the Town Hall, and on the Town's web site. In addition, notices regarding the Public Hearing for the Hemlock Sewer & Cadyville Road Water unit charges were mailed to owners of property in said districts. Clerk Hay read the notices of hearings for the record.

DISCUSSION

Supervisor Gott asked for comment on the budget and on the water and sewer unit charges. No one wished to speak.

Supervisor Gott announced that the Public Hearings would remain open until later in the meeting.

ALL-HAZARDS MITIGATION PLAN DISCUSSION

Kevin Neidermaier was present at the meeting to explain about the All- Hazards Mitigation Plan. He explained that

- In 2000, the Federal government passed a regulation that all villages, towns, counties, and states have an All-Hazard Mitigation Plan.
- The plans need to be reviewed every 5 years.
- Villages and towns can adopt the County's plan, however if they don't then they

REGULAR MEETING, TOWN OF LIVONIA

- have to adopt their own plan and the plan has to be approved by FEMA.
- Each town and village participated in developing the Livingston County plan, which was adopted by the county in June.
- Having an adopted plan in place helps to secure grant money for mitigation projects.

Supervisor Gott and Attorney Campbell both recommended that the Town Board adopt the County plan, rather than develop their own.

BUDGET DISCUSSION

Supervisor Gott reported that the Proposed 2016 Budget is very conservative, funds all obligations, and calls for a 2% raise for all employees and elected officials except for the Town Board and Supervisor. The budget includes:

- Replacement or rehab of the substation at Vitale Park, along with the removal of the trailer.
- \$120,000 in reserve for future highway equipment.
- An increase of \$10/ton for road salt.
- A 7.75 cent increase in the tax rate per thousand.
- Help for assessing commercial properties.

Supervisor Gott reported that we will stay within the 2% tax cap. He added that he believes we are fiscally the healthiest town in the county, and over 2/3 of the towns in Livingston County overrode the tax cap this year.

No one wished to comment. Supervisor Gott stated that the hearing would be left open.

Supervisor Gott spoke with Don Higgins at the County Highway Department, and he indicated that they will adjust their schedule to help us out. Work on the North Gully needs to start immediately. We have a property owner who wants to see the construction
